

1 USING YOUR STEALTH STAND

Called "the Swiss Army Knife of stands", the Stealth Stand holds everything and is small enough to keep in your pocket, purse or instrument case. Use on a table or strap to your leg, and do even more with attachable Add-on accessories

1 Storage and transportation

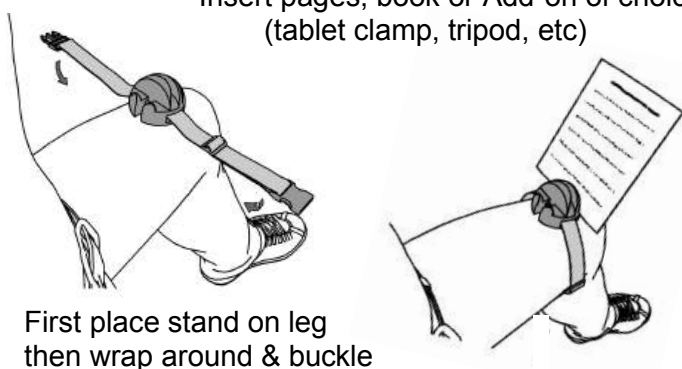

4 Other placements

2 Knee Mounted (w strap)

Insert pages, book or Add-on of choice (tablet clamp, tripod, etc)

5 Stealth Stand support

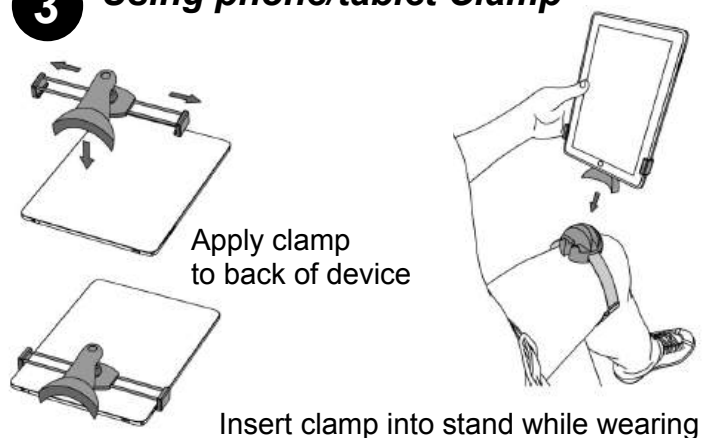

We are a brand new company and love hearing from our customers! Please call or text any time (number below).

We also welcome your suggestions for different ways to use your Stealth Stand, and if you send pictures we'll add you to our photo-album on the website!

Happy Stealthin' and we hope to hear from you soon...

3 Using phone/tablet Clamp

The Stealth Stand is a new concept and has a learning curve, so please scan below and watch the tutorial video, or go to www.youtube.com/@JamAlong

2 STEALTH STAND ADD-ONS

One of the unique advantages of your Stealth Stand is the ability to use “Add-ons”, separate accessories that attach to your stand and provide additional functions

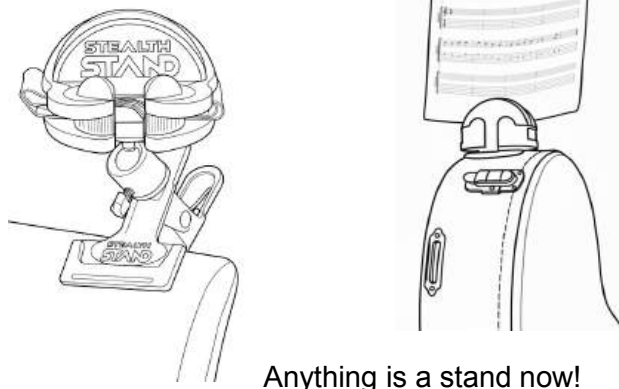

1 Tripod Add-On

Stands up on floor

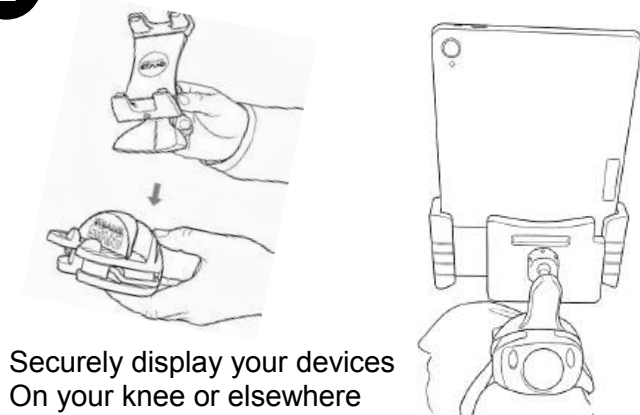

Attaches to bottom

4 Clip-It Add-On

Anything is a stand now!

2 Phone & Tablet Clamp Add-On

Securely display your devices
On your knee or elsewhere

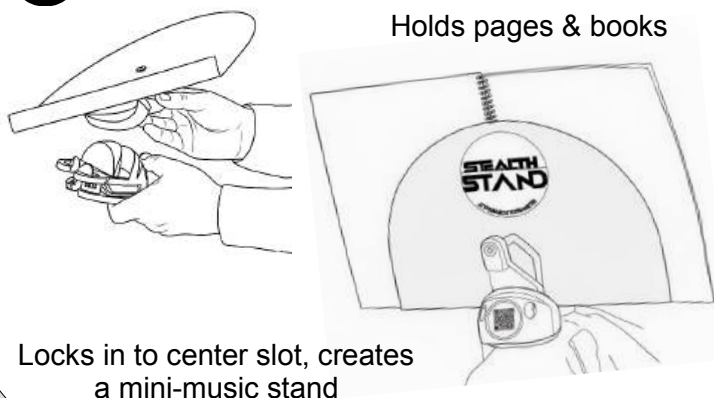

5 Mic-stand Mount Add-On

Mount your Stealth Stand
to your mic-stand

3 Page Tray Add-On

Holds pages & books

Locks in to center slot, creates
a mini-music stand

6 Clip-Light Add-On

Light up your pages!
